

## Welcome to The Course at Wenté Vineyards.

Designed by golfing great Greg Norman,  
The Course at Wenté Vineyards is a Certified  
Audubon Cooperative Sanctuary. With three distinct  
topographies – native woodlands, mature vineyard and  
rolling hills of natural grasslands – The Course at  
Wenté Vineyards offers extraordinary visual panoramas  
and a diversity of play unmatched in the Bay Area.

Uniquely situated on a working vineyard estate,  
The Course is adjacent to The Grill, The Restaurant  
at Wenté Vineyards, and the winery's Event Center  
and Tasting Room. We hope that you'll enjoy some  
wine tasting and a delicious meal during your visit to  
Livermore Valley wine country.

Cheers!

Chief Executive Officer, Fourth Generation Winegrower
