

The Course at Wente Vineyards Scorecard

Welcome to The Course at Wente Vineyards.

Designed by golfing great Greg Norman, The Course at Wente Vineyards is a Certified Audubon Cooperative Sanctuary. With three distinct topographies – native woodlands, mature vineyard and rolling hills of natural grasslands – The Course at Wente Vineyards offers extraordinary visual panoramas and a diversity of play unmatched in the Bay Area. Uniquely situated on a working vineyard estate, The Course is adjacent to The Grill, The Event Center and Tasting Lounge. We encourage you to enjoy our Tasting Lounge for unparalleled wine and food experiences during your visit to the longest, continuously family-owned and operated winery in the United States.

Cheers!
