## Riverbank

RIESLING  
CENTRAL COAST  
2024

FAMILY  OWNED

Since 1883, five generations of our family have handcrafted fine wines that express the very best of our vineyards and winemaking expertise. Our Riverbank Riesling is named after a key feature of the Arroyo Seco appellation in the Central Coast, which is defined by a unique geological feature called the Arroyo Seco Cone. Composed of soils, water sources, and wind streams that differentiate it from the Salinas Valley and the Monterey Appellation, it was created by the flow of the Arroyo Seco as it spills down from the Santa Lucia Mountains. This funnel-shaped region appears at the edge of steep slopes where the river has cut a deep ravine, forming an imposing riverbank. On the southern edge of this ravine, Riesling flourishes in the deep rocky soils.

### WINEMAKING

Cold fermented in stainless steel. Aged for three months in stainless steel tanks.

### TASTING NOTES

The 2024 Riverbank Riesling is a radiant expression of fruit and fragrance, wrapped in elegance and charm. Delicate aromas of honeysuckle and orange blossom drift gently from the glass, entwined with the lush allure of ripe peach, white apricot, and a whisper of golden honey. On the palate, tender notes of freshly sliced pear and crisp apple bring a soft, caressing sweetness, gracefully lifted by a touch of bright acidity. The result is a beautifully poised wine, vibrant and graceful, with a lingering sense of freshness and vitality.

### FOOD PAIRING

Peanut curry and chicken paprikash, as well as strong cheeses, spiced nuts, hummus on flat bread, and sushi.
