

# Wine Club NEWSLETTER

Dear Friends,

As we step into a new year at Wente Family Vineyards, I want to start with a simple thank you. Our wine club members are more than members; you're part of our extended family. Your presence and support of our wines and experiences has created a community that is truly unique- much more than a 'wine club.'

This year is full of events and experiences designed to bring you closer to the vineyard, the wines, and each other. We see our lounge as your social club where you see friends and enjoy what you love, we hope you do too.

With that spirit in mind, we've refreshed our club benefits and names to better reflect the offerings and opportunities you can find as a member at Wente.

**Club Arroyo** Access to the Wente experience. Your benefits include more time tasting on property, more shared moments, and more ways to enjoy the vineyard beyond the glass.

**nth DEGREE** While the name hasn't changed, your experience and wine benefits have expanded, giving you greater VIP moments & upgrades.

**Legacy Club** Our elite club for those who are deeply woven into our story and family of brands. It reflects not only the top access and benefits, but a shared commitment to the legacy and future of Wente Family Vineyards.

For five generations, what matters most to our family is the community we've built, and you are at the heart of it. I'm so grateful to continue this journey with you, and I can't wait to welcome you back to the estate throughout the year.

With appreciation,  
Aly Wente  
Fifth Generation, Wente Family Vineyards
